

Sponsor a Chair and Adopt a player!

The key to a successful Band is the quality of the individual players within its ranks. At CMFCB, we are fortunate to have some of the most gifted musicians in the country whose talent and commitment help keep the Band amongst the finest Brass Bands in the World! The Chair Sponsorship programme is an opportunity for you to be associated with one of the Band's players and to link your name with a position in the Band. By supporting the player of your choice, your gift will help us ensure that CMFCB continues to develop artistically, by attracting and retaining musicians and Musical Advisors of the highest quality possible!

How do I do it?

It is possible to sponsor an individual 'Chair', or Adopt a Player, an entire Section and each of the Band's Principal players, with the funds going directly to the band. In fact, choosing to sponsor a Chair or Player could not be simpler!

Simply make a note of the value of sponsorship from the list below, be it for a whole Section or individual Player etc. and put a tick next to your selection on the next page.

Then, fill in your details and indicate the amount of Sponsorship you wish to give – simple!

Individual Player or 'Chair' (Excluding Principals) **£75+** per annum

Section - **£350+** per annum per section.

Sections constitute –

- Front Row Cornets
